PEOPLE OF TWO TOWNS GREET BOISE PENROSE

United States Senator Visits at Monongahela and Donora

BRASS BANDS ARE OUT

Parades Are Features—Speaks at Both Points on Party Questions

Senator Boise Penrose visited the Monongahela valley on Friday afternoon and evening and concluded his Western Pennsylvania stay with two big meetings, one at Monongahela and the other at Donora. At Donora he was welcomed not only by Donora citizens, but also by a party of about 150 voters from Charleroi and vicinity, who went to Donora by special car.

The Senator was met by J. A. Herron, Thomas Pollack, W. T. Gregg, John F. Cooper, Joseph Lytle, W. K. Vance, Vernon Hazzard and other Monongahela Republicans at Elizabeth and escorted to Monongahela.

When he arrived in Monongahela there was a street parade with two brass bands. The senator made his headquarters in the Commercial Hotel, where he received hundreds of Republicans in the afternoon. At 3 o'clock he addresses students of the Monongahela High School. Later he spoke to a larger crowd from the steps of a public school. He discussed the great development of the Monongahela valley in recent years referring to Donora and other towns which he said did not exist when he last visited this section of the state. This development he declared was made possible by wise tariff legislation passed by the Republican party. He attacked the Underwood tariff law asserting that it destroyed the prosperity of the country. This prosperity, the senator said could be restored only by theestablishment of the protective tariff system. He also discussed Washington county's historical associations and referred to the fact that he had served in the legislature with the late George V. Lawrence, Senator Penrose's speech was well received.

In Donora in the evening Senator Penrose addressed the largest crowd that has gathered to hear him since he came to Western Pennsylvania. He came from Monongahela in an automobile with Grover W. Boyd, a Donora business man. A dinner and reception in his honor in the Irondale Hotel enabled him to meet hundreds of Washington county voters. Every river town was represented.

After the reception there was a street parade to the Grand Theatre. The theatre was filled and a larger crowd was outside when Senator Penrose arrived. There he addressed an overflow meeting in front of the Indiana House. In the crowds at both places were many miners and others who declared that they were awaiting an opportunity to vote the Republican ticket.

There was a remarkable demonstration for Senator Penrose when he entered the Grand theatre. He was introduced by Grover W. Boyd as the Republican leader in the United States Senate who always had stood for public measures demanded by the spoke for nearly an hour. He reviewed the history of the Republican party and predicted Republican victory in November. Throughout his speech the crowd shouted its approval of his telling points against the Democratic party. Before leaving for Pittsburg Senator Penrose expressed satisfaction over his reception in Washington county.

Samuel S. Rodgers Writes Mother That He Thinks it Wise to Leave Country

Samuel S. Rodgers, who has been in Mexico for 21 years has written to his mother, Mrs. Sarah E. Rodgers of Fallowfield township from Quarantine port, New Orleans that he thinks it best to come home. Mr. Rodgers said he was in Mexico City on business when the U. S. fleet began to shell Vera Cruz. The populace he said, became furiously angered and began to parade the streets and shout, "Death to the gringoes." However, he crossed the streets twice through the procession without being molested.

TO PLAY BENEFIT MONDAY

Arrangements Being Made for Attraction for Playgrounds

BIG CROWD LOOKED FOR

Monday will be a children's playgrounds day. On Monday afternoon an exhibition game for the benefit of the playgrounds will be played at the Charleroi baseball park by a team selected from among players of the Charleroi club of the Pawva league and local players. Interest is being manifested from two reasons. One reason is that of the purpose of the game and another is the fact that it will be the first chance for local fans to see President Wreath's club in action. The game has been scheduled to start at 4 o'clock in the afternoon. Manager Hank O'Day will decide upon his lineup after today's practice.

STIL CAUSED HIS OWN DEATH, JURY DECIDES

Inquest Held In the Case of Monessen Man Who Leaped From Window of Charleroi-Monessen Hospital This Week

The coroner's inquest into the death of Jacob Stil, of Monessen, who died as the result of injuries sustained when he leaped from a window of the Charleroi-Monessen hospital last Monday morning, resulted Friday night in a verdict to the effect that he came to his death by his own hand. Apparently he was temporarily deranged when he jumped to his death. Dr. E. B. Sloterbeck, Miss Miller, superintendent of the hospital, Miss Myrtle J. Taylor, night nurse at the hospital and Deputy Coroner Lawrence B. Frye were witnesses who were heard. Circumstances were brought out concerning the strange act of the man.

The jury in its finding recommended that screens be placed on the windows of the hospital. Hospital authorities were absolved from blame for Stil's death. The members of the jury were: J. L. Reeves, Curtis S. Bliss, William Vetter, Henry Braun, Benjamin Harris and Floyd Chalfant.

MOTHER'S DAY OBSERVANCE IS ARRANGED

Nearly all the churches of Charleroi will join in the movement tomorrow for the observance of Mother's Day. Special sermons will be preached on themes appropriate to the observance of the day. Music will be featured in many churches, where old songs that mothers like will be sung. Flowers will be worn by people as tributes to their mothers. The day is one set apart in the nation as Mother's Day and is nationally observed every year.

TELEPHONE PLACED AT BALL PARK

An independent telephone was installed in the ticket office at Woodward Athletic Park Friday for the convenience of patrons of the game during summer. This will be a great convenience to physicians and others who will have occasion to be called during the progress of a game. A large electric bell will be installed also, and it will be rung for the practice of both teams and to start the games.

About 20 loads of dirt has been dumped in the space from the railroad track to the entrance to the park. Several loads of cinders will be spread over this and a good substantial walk some 5 feet in width will be the result. President Wreath is untiring in his efforts to make Woodward Athletic Park as attractive and comfortable for the fans as possible. On next Wednesday morning 25 tons of a light sandy loom from the "sandwash" will be laid over the infield and rolled with a steam roller. President Wreath went to Speers Friday to look at this soil and pronounced it the best soil for an infield he had ever seen. The diamond has become low in spots and this addition to it it will make it one of the fastest infields on the circuit.

Signs have been posted around the fences of the park warning trespassers to keep off the fences. The fences are not any too strong, even though they have been braced. For the benefit of local aspirants for base ball fame or those who merely desire to "losen" up their muscles on the greenswad in the evenings. President President Wreath announces that the main gate will be open to the public each evening until 7:30 o'clock for practice purposes, and will continue as long as those using the grounds appreciate the fact that it costs money

CHICAGO WHITE SOX WILL PLAY AT PITTSBUR

One of the particular treats of 1914 season, in a baseball way occur the coming Monday, May when the Chicago American W Sox, who made the recent around the world, drop off in Pi burg and hook up with the Pirates a single game at Forbes Field. I the first time the White Sox h ever appeared in Pittsburg, and fact the first time any Ameri Leage team has appeared on Fo Field during the regular champ ship season.

It is always a special treat for baseball fan when a National Le and an American League team c together for a contest, as while greatest good feeling exists bet the two leagues, nevertheless, there is a battle staged between teams of the two leagues, even f single game, there is always the k est rivalry displayed between players participating, with the re that an abbreviated world's champ ship contest usually takes place.

With this promise of an ultra-i ited game being witnessed, the c ing Monday will be a sort of red ter day to the fans in Pittsburg vicinity and will also give the an opportunity of comparing the teams in atcion.

Of course, the time allotted such comparison is too short to conclusive, but it will be interest at least when one considers the l up of the White Sox, in which pears such brilliant performers Billy Sullivan and Ray Schalk be the bat, the latter a youngster se

A COMMON FALLACY.

We await with no little interest rther developments in a case which e are inclined to think will prove ually interesting to many of our aders,—American Wool and Cotn Reporter. A prominent jobber iced a number of styles from a reign manufacturer in his line and s received a satisfactory volume of siness on these styles, selling them imported cloths, meantime, a test the fabric has disclosed the fact it the goods are not all-wool, as s supposed, but that they contain a centage of cotton. The samples re immediately turned over to a dostic manufacturer to be duplicated an all-wool cloth, and we are told duplicates are in every particular al to or even superior to the forn originals. Will the product of domestic manufacturer be deliver- as imported cloths?

is not at all probable that this is isolated case, but it is usually unstood that the retailer is the chief nder in this respect, as with a ain class of trade the magic word ported" is all that is required to uit of securing an exorbitant rt, regardless of the intrinsic valf the fabrics. The fallacious idea fabrics from abroad are of necy superior to those manufactury our domestic mills is almost ely due to the fact that the conr has been misinformed as to the ce of the major art of the fine s produced by our own mills. Inces might be multiplied almost out number of domestic fabrics h have sold as "imported" at tly enhanced prices, though the sman was well aware of the fact the cloths were of domestic manfure.

MOTHER HUNGER

If I could only see and touch him to
  know him close beside.
To lay my head upon his shoulder to
  know he is near,
To feel that he loves me as he did be-
  fore he died.
In all the world there is nothing, love
  of friends or kindred
Like the memory of that dear hand in
  mine;
Nothing that can soothe me or can
  stir
The hand that wakes my longing to
  hear his voice again.
When all nature is quiet and the sha-
  dow twilights fall.
In the loniliness that mocks me amid
  silent surroundings,
Is there naught in the unerring speech
  of silence
To let me know your presence tho' I
  cannot see your face;
I cannot forget the sweet face uplift-
  ed,
And the smile that came though I
  knew he was in pain;
This hour will pass—but oh just now
The Mother-hunger's on me
And I am footsore oft and weary for
  the way has been so steep,
I've waded through dark waters that
  were so cold and deep.

OPINION GIVEN BY THE COURT ON THE CLUBS

Court Decree.

The decree of Judge J. A. McIlvaine in the case of the commonwealth against the steward of an order of Bears in the county, a decree similar to others handed down this week, is as follows:

"And now, May 5, 1914, after due consideration of the petition for parole herein presented, and the court believing that to obtain a strict observance of the law in the distribution of liquor by the order of which the defendant is steward, is better than sending the defendant to jail it is ordered, adjudged and decreed that the defendant be and he is hereby paroled and put on probation under the supervision of William McCleary, the county detective, who is hereby appointed a special probation officer for this case for a period of one year, on and subject to the following conditions: —

"First: That he pay the costs of this prosecution.

"Second: That liquor shall be distributed by him at the sideboard of the Fraternal Order of Bears of Washington. Pa., of which he is steward. ONLY to resident members of the local order and ONLY at first cost counting the price paid for the liquor and the cost of carriage.

"Third: That no liquor be distributed on Sunday, election days, on the holidays on which the licensed bars of the county are closed or at unseemly hours in the night.

"Fourth: That no liquor be distributed or furnished to men of known intemperate habits, to minors, to persons visibly intoxicated, or to members who need their money for the support of their families, where notice to that effect has been given by any member of the family, or to the constable of the bailiwick who is charged with the duty of enforcing the law against the sale of liquor without license.

"Fifth: That no treating or buying of liquor for others, either members of the local lodge or outsiders be allowed.

"Sixth: That excessive drinking and disorderly conduct be prohibited.

"Seventh: That any violation of these conditions by the defendant will justify the issuance of a bench warrant for his arrest and his being sentenced to pay a fine of five hundred dollars and being imprisoned in the county jail for three months.

"Eighth: That any violation of these conditions by the Fraternal Order of Bears of Washington, Pa., will justify the filing of a bill in equity against the order as a defendant by the district attorney under the Act of 1887, to abate the place maintained by the order as a nuisance by reason of the manner in which the order has conducted the place within the two years preceding the time said bill should be filed.

"By the court. S

"J. A. McILVAINE, P. J."

The above parole and probation for the period of one year is accepted by the undersigned on the conditions set forth in the above order of the court.

"FRANK O'BRIEN,
"Defendant.
"JAMES B. GORDON.
"For the Fraternal Order of Bears of Washington. Pa."

The other defendants and head officers signed a similar agreement.

In a somewhat lengthy opinion Judge McIlvaine cites the law in the case. which makes his ruling apply to all the clubs of the county. and concludes as follows:

The Law.

Under the decisions of our Supreme court it may be that a fraternal. beneficial order, such as the Fraternal Order of Bears. can lawfully maintain a social department in which liquors may be bought by it and distributed at cost among its own local members. But certainly an organization formed to save wages or money of a member to meet the demands of that member or his family when he is sick. should see that no member wastes his money for liquor at the order's sideboard if his family is in present need of it and so notifies the order. We would be glad to learn that all the beneficial, fraternal orders of our county had voluntarily abandoned the practice of distributing liquor to their members. But if they will not do so voluntarily, there is nothing left for the court to do than, with the aid of the district attorney, to enforce a strict observance by them of the law that allows them to buy and distribute liquor among their local members at the price at which it was bought and delivered in their respective rooms. It must be distinctly understood, however, that rent, wages of the steward. expenses of maintaining the order, etc., cannot be met by charging the members a higher price for the liquor than it cost. Such a transaction would be a sale for profit and unlawful."

ed by Comiskey in 1912 from Milwaukee, and who has proven one of the sensations of the American League, being looked upon by many critics as the superior even of Wally Schang the great young catcher of the Athletics, and who was one of the recent World's Series heroes. Ed. Walsh, Jim Scott, Joe Benz, Cicotte and Faber is the formidable array of regular pitchers presented by the Sox and several promising youngsters. Probably the player of greatest interest to the fans, however, will be Hal Chase, the peerless first baseman of the American League, and one of the greatest firstsackers the game has ever known. At third base an equally brilliant and hustling performer will be found in Harry Lord; while George Weaver at short and Russel Blackburne at second are playing a game that soon promises to put them in the front rank of infielders. In the outfield are Daley, Collins and Demmett, who while young and not yet having reached stellar ranks, are reported to be holding their own with the best in the American League. All in all the game Monday should prove one of the treats of the season for the fans. Regular prices will prevail and box and reserved seats can be obtained as usual at any of the branch offices of the club or at Forbes Field.

MUST AWAKE

In Time to Vote at the

Primaries, May 19th

for

J. Benjamin Dimmick

For U. S. SENATOR

J. BENJAMIN DIMMICK

The organs of the Democratic and Washington Parties are waiting breathlessly for the nomination of Penrose, when they will sweep in and shatter the Republican strength in Pennsylvania. Remember—public sentiment is against Boss Rule. Penrose must be defeated to preserve the Republican Party.

In J. Benjamin Dimmick we have a leader bold enough to accept the challenge of Penroseism—a man of high character, of sound scholarship, of clear vision and a complete understanding of State and national issues.

By nominating J. Benjamin Dimmick, we can remove the only issue which the Washington and Democratic Parties have and thus we can insure a normal Republican vote and victory.

Every day the army of men increasing, who believe that the Republican Party on May 19th must choose between

A Chi-Namel Demonstration That is Different

YOU can ask the Demonstrator to show you any Chi-Namel product you may be interested in, actually applied.

For instance—White Enamel, Porch Furniture Enamel, Gold and Aluminum Paint, Floor Wax, Furniture Polish, Colored Varnishes for staining and varnishing with one application.

She will not merely show the package containing these materials, but show it in the brush, and applied before your eyes—in fact, you can take the brush and apply it yourself.

You can see the actual colors—see how easy it is to apply—how all brush marks disappear before it hardens.

This will be a demonstration worth while for any one who is responsible for the care and good appearance of the interior woodwork and furniture of a home.

By asking for a demonstration of any particular Chi-Namel product you will not place yourself under obligation to buy; this demonstration is to acquaint the public with the use and economy of the home.

FAIR EXCHANGE

A New Back for an Old One—How a Charleroi Resident Made a Bad Back Strong.

The back aches at times with a dull indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Follow the example of this Charleroi citizen.

Mrs. Brice Ray, 121 Prospect avenue, Charleroi, Pa., says: "One of the family had weak kidneys caused by hard work, together with severe colds. He was in poor health for some time. His chief trouble was from his back. There was a dull, dragging pain across his kidneys, that made it hard for him to get up or down and he was annoyed by the kidney secretions. We saw Doan's Kidney Pills advertised and got a box. In a few days he was feeling much better and he continued until the attack disappeared. Doan's Kidney Pills made a cure and we are glad to recommend them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ray recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

to put a park in shape and keep it in shape and will co-operate with the management to this end. "I like to see the young fellows out enjoying themselves after a day in the shop or office," said President Wreath, "but I am going to insist on them coming through the gate instead of over the fence and as long as they behave like gentlemen they are welcome to use the park when nothing is on."

Every effort will be made to stage the game between the Regulars and the Yanigans next Monday for the benefit of the Children's Playground Association. Wet grounds and a cold wind convinced Manager O'Day it would not be wise to take any chances on having his "Magics" get sore arms. Infield practice is badly needed in order to let the players show Manager O'Day how much they know about base ball. This will be the order of the day as soon as the ground is dry enough to roll.

President Wreath and Manager O'Day took advantage of the weather Friday and held a star chamber session with the recruits at the Hotel Myford. "No poker playing" was the first rule read to the players. "Be in bed at 11 o'clock," was the second rule read to them.

IOWA WOMAN TELLS OTHERS

How Lydia E. Pinkham's Vegetable Compound Carried Her Safely Through Change of Life.

Cedar Rapids, Iowa.—"At the Change of Life the doctor said I would have to give up my work and take my bed for some time as there was no help for me but to lie still. I took Lydia E. Pinkham's Vegetable Compound and kept up my work and now I am over the Change and that is all I took. It was better for me than all the doctor's medicines I tried. Many people have no faith in patent medicines but I know this is good."—Mrs. E. J. RICKETS, 354 8th Avenue, West, Cedar Rapids, Iowa.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.
